

Heidi Gunn Biography

Heidi Gunn's God-given gifts and passion for the arts has motivated her ever-growing ministry, which includes singing, modeling, acting, dancing, drawing, painting, and writing ... in addition to her foreign missions work.

Heidi's ministry with her husband Randy and their band "GunnPoint" allows her to take Christ outside of the church as they reach countless people across the country at citywide outreaches and major cowboy and rodeo events. Her love for horses has helped her in the competitive sport of Cowboy Mounted Shooting, where she won a national title and gained respect and acceptance in the Cowboy world. That has helped her in her prayer to influence the lives of that community.

Heidi, Randy, and their band have been recognized for their vocal and musical talents, winning numerous entertainment awards. Heidi has begun work in the recording studio for her solo-debut CD, as well as a new CD with Randy. The couple's "A Colorado Christmas" will be released in the fall of 2009. Heidi enjoys drawing and painting; she is contributing art for the new GunnPoint calendar and a GunnPoint book, which will also include her writings.

A talented and gifted lady, Heidi is best known for her love of God and people. Her heart's desire is to take the gifts that God has given her, and use them for His glory.
